

Datasheet – Lampfix Product 05175

ES Porcelain Lampholder

Material:	Porcelain
Fixing:	In base through holes provided
Width:	40mm
Height:	47mm
Colour:	Natural
Bulb:	E27 max. 60 watts

Construction

This product has been designed for applications where a replacement lampholder is required. The body is made from a moulded, ribbed ceramic finish to produce a durable product. Cabling connection is achieved via the base of the lampholder .

Applications

Internally to certain domestic and commercial light fittings, lampholder body must be shielded in final application due to accessibility of live parts.
