

## Pendant Set 9" Polished Chrome

Material:	Chrome Plated Steel, PVC cable
Fixing:	Top fix internal rose bracket
Width:	85mm
Height:	230mm
Colour:	Chrome
Bulb:	BC max. 60 watts

### Construction

Our 9-inch pendant light has been designed for applications where a replacement for the standard white plastic pendant is required. The steel body has been chrome plated to produce a high quality, durable and visually pleasing product. Cabling connection is achieved via top of the rose.

### Applications

Bedrooms, landings, smaller rooms

### Colour Options

Brushed Chrome  
Brass
